UNDER 11 Report 2013

The Under 11's season was a case of "What might have been". We started with the Cup Competition, meeting Richmond who we had defeated in last year's final in a tight game. Richmond won by 7 runs. The next 4 cup games against Barnard Castle, Sedgfield, Billingham and Newton Aycliffe were all won, which meant we could be in the Semi-finals later in the season. In the league we started with a big win against Norton, but came onstuck against Sedgfield. A win against Eaton Carew was followed by another close game against Richmond losing by 5 runs. The Blackhall game was rained off twice, followed by a lose to Stockton. We won against Newton Aycliffe, but the next game against Billingham had to be conceded. The games against Barnard Castle and Hartlepool were both won, but the last game loss to Wolviston was a disappointment. The final league results were won 5, Lost 5, 2 rained off. In the cup semi-final had the neutral umpires seen Stockton best batsman, who had been bowled by Drew Charlton with the last ball of the penultimate over, and ended up facing the first ball of the last over with them on - Truns. 2 fours from him and the rest of the over ratted out, meant they had won by 1 run. Things could have been so different. Richmond won the Final. Thanks to Darren Riley and all the coaches. To Alan Harwood and Mark Skilbeck for umpiring the games. And to all the parents who helped in the kitchen and with transport. Not forgetting Dave Bentley the Groundsman some Under 11's are moving up to Under 13's but 4 or 5 of this year's team will still be available, which will help the new players and we look forward to next season with high hopes.
