A mid table finish was a good effort by this year's side. Once again the weather played a part in proceedings, but we did win three of our league matches. This season some of our players have also made a successful transition into senior cricket. Ollie Smith, Tom

Horniman, Will Hamilton, Rishabh Ray, Jack Parker (alongside Chris Heron and Jonny Pears from the U13s) among those who progressed to third team cricket, making a significant contribution with bat and ball.

Thanks once again must go to Richard Horniman and his team of parents who make it run smoothly and to Liam and Mark for their work on the coaching
