SCORER'S SUMMARY

This has been a season of two distinct halves. Although in the first 14 league matches we had already lost the only 2 we were going to lose in the season we had also won 7 of these 14 and were going well in the cups. At this stage there was a realistic chance of retaining the league title. However, during the second half the leaders got away from us so that we finally finished 4th.

In the league there were 2 partnerships over 100, one each for the 1st and 2nd wickets. There were also 22 other partnerships of 50 or more, 8 each for the 1st + 2nd wickets, 2 each for the 3rd + 4th and 1 each for the 5th + 7th.

Darlington lost all 10 wickets in 3 league matches but took all 10 on 8 occasions. We also had our biggest win in 15 seasons — by 200 runs against Normanby Hall. This was the first year of 6 points for a draw batting first and 2 batting second but had it still been 4-4 we would have finished with 333 points instead of 335.

For the 2nd year in succession John Lister scored over 1000 league runs and this year his 1000th came off the 2084th ball faced.

This year I am the only person to have been to all league and cup matches and the total playing time, not counting rain and tea, was 179 hours 21 minutes. Nobody else took part in all cup matches but Jim Blackburn did in all the league.

Last (and very probably least) I recorded 18,925 balls, 3115 overs, 546 maidens, 10553 runs from the bat, 293 byes, 465 leg byes, 86 wides scoring 93 runs, 155 no balls scoring 104 extras, 539 wickets, 975 fours and 102 sixes
