Changing one John for another did nothing for our luck in winning the toss, but otherwise a very successful season in the league with the professional's bowling an outstanding feature

In half the matches played, i.e. 13 times, the opposition lost all 10 wickets. In contrast, Darlington lost all 10 on only 5 occasions. This is reflected in the points. Apart from abandoned games we earned fewer than 10 points in only 2 games whilst the opposition gained more than 10 points in only 3 games. Of course, having to bat first helps these figures! The total number of points scored against us was 173 in reply to 417 gained

In the league there were 3 century partnerships, one each for the 2nd, 3rd and 4th wickets and 15 others more than 50; 5 each for the 2nd and 3rd wickets, 2 each for the 1st and 4th wickets and one for the 6th

This season we played in 7 cup competitions and reached the final in 3 of them. It was then slightly disappointing not to win any of them

This year the summer tour was revived although to the west coast rather than the east. Of the 5 matches played 4 were won and the other drawn. Gary Moody & Philip Crowther were the most successful batsmen. Kevin Mott and Ashley Stevenson took the most wickets. It was a pleasure to see the improvement in Craig Chisman's wicket keeping during the week including standing to Masood.

I was the only ever-present this year. Nobody played in all the cup games but Jim Haggie and Simon Crowther played in all the league games. The support from Jim Blackburn whilst he was injured was also encouraging. The total playing time for league and cup games was 191 hours 36 mins., and I recorded 19,900 balls, 3283.2 overs, 668 maidens, 10575 runs from the bat, 357 byes, 509 leg byes, 80 wides scoring 94 runs, 122 no balls scoring 94 extras, 1056 fours and 115 sixes.
