A very disappointing season, finishing eleventh in the league after winning only four matches and loosing ten. We only managed to score 236 points, our lowest total since the league's points restructure in 1975, whilst conceding 327 points.

Five players made their 1st team league debut's this season, J.S.Clarkson, A. Fenwick, A.K. Heal, S. Lee and J. Symonds.

In the league programme there were three century partnerships: 2 for the 2nd wicket and 1 for the 1st wicket. There were 18 other partnerships over 50: 7 for the 2nd wicket, 5 for the 1st wicket, 3 for the 3rd wicket, 2 for the 4th wicket and 1 for the 6th wicket.

As a team we scored our runs at an average of 1.721 balls per run.

There were some good batting performances this year, the most memorable was Aaron Heal's 120 at home to Bishop Auckland, when on 72 the next over read '4,6,6,6,6,1' finishing the over on 101. Neil Pratt also had 8 scores over 50 and James Clarkson scoring two 50's and over 350 runs in his first season.*

We also failed to capitalise when Brian Hood lost count and gave us a 12 ball over which only included one no ball.

Aaron Heal lead the wicket taking with 42 victims, which included two five wicket hauls. The remaining wickets were shared out amongst the rest of the bowlers.

We bowled a total of 68 extra deliveries due to no balls and wides, which was a significant reduction on last year. These deliveries cost a total of 70 extra runs and 2 wickets.

As a team we had a strike rate of 46.41.

We only bowled one side out this year, winning the match.

We did the double over Richmondshire this season while Bishop Auckland, Guisborough, Northallerton and Redcar managed to do it over us.

All cup matches this season were on home turf, we got off to a good start winning all the first round matches, unfortunately loosing in the second round.

In the Saunders Cup we got off to a good start with Paul Raine taking four wickets and Danny Morgans getting 49. In the second round we failed to set a high enough target and Hetton Lyons knocked the runs off with ease.*

Our first round of the Kerridge Cup saw us beat Great Ayton off the last ball. Having held them to 135 with Aaron Heal and James Clarkson both taking four wickets, Neil Pratt (64) and Danny Morgans (30) got us off to a good start, however, we still required 40 off the last four overs, and with the scores level with three balls remaining Lee Craggs decided to block two of them to make things interesting, then hit the winning run off the last ball. Then in our second match the bowlers failed to contain Saltburn who set a total of 171, and loosing Neil Pratt first ball of the innings we only managed 108. In the first round of the fifteens Aaron made light work of the Northallerton bowling attack smashing 79 off 32 balls and then taking three wickets for nine runs off two overs. I think Lee Hutton has a few questions to answer after winning the toss in the second round match at home to Bishop Auckland, he decided to bat and we collapsed to 47 all out and Bishop's reached the target with very little difficulty.*

With the third team having another successful season, more juniors will be moving up to second team cricket, this should mean that more second team cricketers will be pushing for a first team place, which should give more competition within the selection process. This should mean that no one will be guaranteed their place and hopefully the competition for places will bring better results.
