A poor season, finishing twelfth was our worst performance since 1946 when we last finished 3rd bottom of the league. After winning only five matches and losing twelve, we only managed to score 226 points whilst conceding 332 points.

Seven players made their 1st team league debut's this season, T.J. Chapman, J.T. Dobson, D.J. Eckels, S. Lister, M.A. Mashimbyi, M.A. Qureshi and J.R. Sutton.

In the league programme there were five century partnerships: 2 each for the 1st and 3rd wicket and 1 for the 4th wicket. There were 12 other partnerships over 50: 5 for the 1st wicket, 3 for the 3rd wicket and 2 each for the 4th and 6th wickets.

As a team we scored our runs at an average of 1.739 balls per run.

There were some notable batting performances this year, it's was a shame we left it until the end of the season to set the best opening partnership since 1987, Neil Pratt (115) and Daniel Hodgson (63) scoring his maiden half century set 191 for the 1st wicket.*

Considering Neil missed 6 matches through injury he still managed to score more runs than last year which included three centuries and four half centuries.

Paul Raine also managed to set a new personal best hitting Great Ayton's professional to all corners of the ground to score 20 (5 x 4's) runs off only 12 deliveries.

Replacement professional Mohammad Qureshi showed all the bowlers what to do taking 13 wickets for only 112 runs in his three matches and David Eckels finished the season well taking 11 wickets in his last two matches. Overall we lacked a bowler capable of taking three or four wickets consistently each week which along with our overseas professional being injured mid way through the season resulted in us finishing where we did in the league.

We bowled a total of 109 extra deliveries due to no balls and wides, which was a 60% increase on last year. These deliveries cost a total of 99 extra runs but we did gain 4 wickets.

As a team we had a strike rate of 41.78.

We bowled four sides out this year, winning all four of the matches.

We did not manage to do the double over anyone this season while surprisingly only Bishop Auckland and Hartlepool managed to do it over us.

In the cup matches this season we started off with the Saunders at home to Hartlepool, apart from the final over which went for 18 runs we did well restricting them to 136 run, we were ahead of their run rate throughout the innings however, we only managed to score six of the required 11 runs in the final over and lost the match. We then went on to play Saltburn in the Kerridge and on a misty evening despite the umpires offering the light after the first over we had the home side reduced to 96-9 and we reached the target with 4 over's to spare, however, in the second round things were totally different with Middlesbrough setting a target of 194 when the rain came. To avoid having to go back to complete a match we had no chance of winning some of our players helped dry up the ground and we went out to play in unfit conditions and reached 106-5 at the end of the match.

In the Premier 15's competition two of the matches were lost because of the bad weather. We lost our first match at home to Northallerton by only 10 runs with John Barnes (56) scoring most of their runs, Colin Biglin (31) and Neil Pratt (21) put on a 3rd wicket partnership of 56 which unfortunately was not enough. Then in our final match at home to Bishop Auckland we fell 18 runs short of the target with extras totalling 26 no one else really getting any runs.

Next season needs to see a significant improvement if we would like to continue playing at the highest level.
